PRESIDENT'S CORNER

Greetings,

I would like to take this opportunity to remind everyone about the upcoming Board of Director's election, and provide you with pertinent sections of applicable by-laws. As I stated last month, the Nominating Committee consists of Mike Sousa (chair), Rolando Soto, and Ralph Guild. Their contact information is listed on the last page of this bulletin. Nominations are now open and will close, after any nominations from the floor, at the April 13th Membership Meeting. Please get your nominations in early, so that we can enjoy a smooth, efficient process.

Any eligible member may be nominated and run for both an office and a directorship. Only those votes cast for a member to be an officer shall be counted for election to that office. Only those votes cast for a member to become a director shall be counted for election to a directorship. If elected to an office, his votes for a directorship shall be deemed invalid. Should he be defeated for the office, only his votes for election to the directorship shall be counted for that position. The names of those nominated will be published in the May and June issues of the club bulletin.

This year's election will take place on June 13th in accordance with the current by-laws. As in the past, the election will be by written ballot with no proxy or absentee voting allowed. Ballots shall be counted by a committee appointed by the President for that purpose, and results announced before the conclusion of the meeting. The members receiving the greatest number of votes for officer's positions or directorships shall be declared elected.

As most of you are aware, the By-Law Committee has been working on revisions/amendments to our existing by-laws, and we may have this project completed in time for the upcoming election. The process requires that any proposal for changes must be presented in a meeting in written form and read and discussed by the membership. Written notice in the Club bulletin of the proposed change must be mailed to every member in good standing to the effect that a change in the by-laws will be voted upon at the next membership meeting, scheduled at least 20 days from the mailing of such notice. Many of the current by-laws regarding elections have been proposed for change, including mail in ballots to all members, which cannot occur until the proposed by-laws are approved by the membership. Obviously, this change and any others, if approved would not take effect until after this election. Please keep in mind that if the proposed by-law amendments/revisions are ready for the upcoming election, voter turnout is VERY important.

As always if you have any concerns, questions, or suggestions contact me or any of the other members of the Board of Directors.

Best Regards,
Ronald B. Gunar:
President of the Richmond Rod & Gun Club
