PRESIDENT'S CORNER

Greetings:

I was informed by a friend that many people don't know much about me, especially in regards to the latest election. So a brief history may be in order to rectify this matter. I am 75 years old, married for 43 years, a retired Oakland police sergeant of 28 years, past President of the Oakland Police Officers Assn., BA in police administration, avid shooter of all action sports, and I could go on and on, but I won't for now.

I have been a member of the Club since 1998, on the BOD for 13 years, and elected president for a fifth term. I was not on the BOD last year due to a series of events beyond my control, but I would like to acknowledge some of the members that I know did an outstanding job in the recent past and continue to perform well today. All of the directors and officers of the BOD deserve recognition, along with all of the many volunteers, without whom the club could not function. Vince Sargentini, our Financial Secretary, has done an outstanding job not only in his capacity as Financial Secretary, but has assisted with the Rifle & Pistol range, Action range, and Trap & Skeet fields. Alyce Herrera, our House chair, has been very busy, along with volunteers, improving the Clubhouse and grounds, which has greatly improved the appearance overall. Time and space do not permit me to give personal recognition here for all of the volunteers who give their time and effort, many while working full time, to keep the Club operating efficiently for the members and the public.

I would love to write the membership that we are filled to capacity with volunteers, but that day has not come and won't unless you volunteer to help. Parting thought, keep the lines of communication open and honest, work together, and enjoy the Club.

Sincerely Yours,
Ronald B. Gunar (Ron)
President of RR&G Club

BOARD OF DIRECTORS MEETINGS

I would like to address some issues regarding Board meetings, which are for the sole purpose of managing Club business, and the Board has plenary authority to do so. Meetings are required to be conducted governed by Roberts Rules of Order. The July 2, 2015 meeting was a poor example of how a meeting should be conducted, and I must assume some blame for that. Repeated instances of talking without being recognized by the chair abounded during the meeting and must be avoided in the future.

All comments/discussion should be addressed to the chair to prevent interpersonal conversations taking place, disrupting the orderly conduct of the meeting.

I have allowed members to discuss matters in the past, but again feel it is necessary to re-implement procedures for that to take place in the future. From this point on, all items for the next agenda must be

submitted one week prior to the meeting so that it can be posted in the clubhouse. Items of an URGENT nature may be added, after the deadline, prior to the meeting when NECESSARY. The agenda will be posted in the clubhouse as soon as possible after the deadline. Any routine late arrivals after the deadline, will be put over to the next BOD meeting.

Any nonmember of the BOD wishing to address a specific agenda item will have to request permission before the agenda item is discussed by the BOD, and time limits may be invoked. Anyone who has not met the preceding requirements may not be recognized by the Chair to speak.

Roberts Rules of Order were designed to facilitate the orderly conduct of meetings of every kind and have been proven to accomplish the stated objective when observed. Any member having a desire to have something on a BOD agenda should first discuss the subject with the chairperson in charge of the area of concern, and that chairperson may make a recommendation to the BOD. All agenda items for the August BOD meeting on Thursday, Aug. 6th, should be in by July 30, and no later than August 1, 2015.

Any questions or comments?

Ron

No Dumping on Club Property

We've had numerous people bring refuse out late at night and dump it. This is costly to cleanup and disrespectful to your club. If caught, you will be brought to the Board of Control, and you may possibly lose your membership.

This also means no using the club's dumpsters for your personal refuse. Please remember that the club belongs to everyone, please treat it like it's your home.

RENT THE HALL: For information, please contact the House Chair, Alyce Herrera at: Alyce1171@gmail.com or 510-724-1136 (home) or 510-757-7432 (cell)
