PRESIDENT'S CORNER

Dear Members,

I am happy to report that in the past several months we've really gotten a lot of things done. You'll notice the grounds look cleaner, as we're caught up on weed abatement, including the berms. There is a new machine that will accept credit cards on the skeet field, and soon the pistol/ rifle range and bar will have that feature as well. The rental spaces have improved with respect to registered vehicles and excess junk, but there still some more work to be done.

We are currently working on creating a Standard Operating Procedures manual for each activity center, and the club in general, that will be bound into one publication. We have also increased the number of weekend range officers that man the 25 and 100 yard lines on the weekends, thus increasing safety. We'll be doing lead reclamation this month cleaning out the berms. We'll be fixing the "brows" as well, which we help reduce the debris that's kicked over the berms.

One improvement that we need to make, and this is where I could use your help, is conduct in the bar. Most of the time things are fine. But horseplay and aggressive behavior could get us in trouble as a club, and it could certainly get the perpetrators at least banned from the bar. It's not something that happens often, so I never hesitate to go into the bar, but it could only take one instance to get the whole bar shutdown. So, please set an example and be the example.

Being president is kind of fun. We have so many good things in our club, and such great members. I am looking forward to getting as many things done that I can before my term is up.

Jerry Kunzman,
President of the Richmond Rod & Gun Club

PLEASE NOTE: THE SPEED LIMIT ON THE CLUB PROPERTY IS 5 MPH AND IS STRICTLY ENFORCED! PLEASE DRIVE SLOWLY TO PREVENT ACCIDENTS!

RENT THE HALL: For information, please contact the House Chair, Alyce Herrera at: Alyce1171@gmail.com or 510-724-1136 (home) or 510-757-7432 (cell)

Beautification Committee: Requesting volunteers to help beautify the club grounds. Need planting ideas, sprinkler system in the spring, landscaping ideas, and most of all keeping in mind the natural habitat of the area. Will be putting together a "walking the grounds meeting" soon, so e-mail me if you're interested: Alyce1171@gmail.com
