PRESIDENT'S CORNER:

Dear Richmond Rod and Gun Club Members,

We have changed some of our Chairpersons and staff: Chris Dennison was our bartender for the last 4 years, and he has resigned from his position as bartender and the Board of Directors. Chris is moving across the country to live in West Virginia. I wish his family a safe journey and happiness in their new home. The Board of Directors appointed Daryl Johnson to fill the vacancy. Daryl has been a contributing member of the club for many years, and we are happy to have him join the Board of Directors. Dave Herrera, the Bar Chairperson, also resigned last month. I am pleased to announce that we have a new Bar Chairperson, Chris Sechiatano, and he will be assisted by Joann Sargentini. Our new bartender is Sonia Song. Please be sure to give them a warm welcome and don't forget to tip the bartender!

We are working on remodeling the bar wall and back storage room by replacing the old walk-in cooler with smaller, more efficient kegerators and chest sized refrigerators. We will do our best to keep the bar open during the remodel. However, we may have to close for a short period of time in order to finish the construction.

I'd like to give a special thank you to Teresa McGurn, Rebecca Heins, and Alyce Herrera. They all stepped up in short notice to cover the bartender position, while we looked for and approved a new full time bartender. If it wasn't for them the bar would have been closed for two weeks while we transitioned between full time bartenders.

Lastly, Alec Jason ran the website for Richmond Rod and Gun for the last 10 years. He also decided to step down to allow someone who is more familiar with modern website code and links to social media to revamp the website for us. Alec will continue to help us with his expertise in signage and other areas at the club. We all owe him a big thank you for his 10 years of service. The Board of Directors has approved Dmytro Kryvok who volunteered to take over the website and revamp it for us.

Please be patient with us during this transitional period.

Respectfully, Patrick Clark, President of the Richmond Rod and Gun Club
