Dear RRG Members,

President's Corner

On 12/27/2020, a white car entered the club property, proceeded to target and break into three vehicles during broad daylight during peak operations. We have security video footage of the break-ins. One of our members helped put together a YouTube video compilation of the thieves in action. To help enhance our security, the club needs a team of volunteers to maintain our security cameras.

The lenses should be cleaned twice a month. Any broken cameras are to be reported to myself or the general manger (Vince Sargentini) so they can be repaired or replaced ASAP. We also need volunteers to help fold the monthly bulletin. Its about a 3 hour job, once a month for 1 person.

YouTube Link to break-in footage: <https://youtu.be/4VvW4yaGX5g>

Sincerely,
Patrick Clark
RRGC President
