## PRESIDENTS CORNER

A BIG thank you to Denise, Charlie, and John Talbot, Prscilla, Whip, and Steve for a job well done on the kids' Easter party. Once again, Denise & Crew did an outstanding job. All of the kids enjoyed a sunny, fun filled afternoon with tons of toys, Easter eggs, and food. The parents also seemed to enjoy watching their excited children searching for Easter eggs. This was another successful event made possible by these dedicated volunteers, especially Denise who is due on the 23<sup>rd</sup>!

Elsewhere in this bulletin are the names of the candidates for the upcoming election. Please calendar June 10<sup>th</sup> at 7PM for this very important event. Come early and get in line, and we'll attempt to get folks through as quickly as possible. Please take the time to improve your Club. We'll also be holding a silent auction, raffling off six M1 Garand rifles with a \$600.00 minimum bid while the ballots are being counted.

John Talbot, Mike Sousa, Jon Heim, and I met with some Richmond City Council Members and developers to discuss the plans for the area around the Club. Many of you have expressed concerns regarding possible condemnation of the Club. Bottom line is that the City isn't interested in eminent domain proceedings, and EBRPD is also not interested. They are feeling out all concerned parties in an effort to determine how to best proceed with long term plans for the area. They were interested to know if we would be willing to relocate. We made our position known, which is we were not absolutely opposed to relocating as long as we were made whole, fully compensated, a suitable location was found, and all permits, plans, etc. were approved, and we were grandfathered in as regards legal stature for noise, etc. "They" would also have to do the footwork to find the property before we would be willing to negotiate any agreement. I am not saying that it is impossible to meet all of the requirements, but a suitable location within a reasonable distance that meets all of the stated requirements might be problematic.

I hope you had an enjoyable Easter, and I look forward to seeing you at the Club.

Best regards,  
Ron
